## FOR A BETTER OMAHA

On December 12th

### All Ballots 1 through 6

When you vote "YES" on all ballots 1 through 6 on December 12th you will be voting for progress for Omaha—with *no increase in taxes*. Ballot No. 1, proposing the merger of Omaha U. and the University of Nebraska, will result in a 2 mill tax decrease for Omaha taxpayers. This will *more than offset* the 1½ mill increase to pay for the additional policemen proposed by Ballot No. 3. The money to pay for the 4 bond issues will become available, as needed, through the retirement of existing bonds.
