

## How My Family Celebrates Cambodian New year.

when my family celebrates Cambodian New year my family puts some money on a tray <sup>in the temple</sup> and lights some special candles. Then My family prays to Buddha and the monk. Then I and my brother go to play. I and my brother like to play games tug-o war game. Then I go back into the temple and get some of my favorite food. My favorite food is rambutans, Mango slices and sliced Toddy Palm seed. My mother dances on the Cambodian New year. Rambutan, Mangos and toddy palm are fruits we buy in the Cambodian markets.
