

rented an apartment and she bought me new clothes and my father bought a car. We went for a long ride. He took me to school and I have a wonderful time in school and a wonderful teacher. I have been in the J.G. Pyne since I was in 3rd grade to 6th. My Chapter 1 teacher is Mrs. Tsapatsaris. She teaches us about Cambodian food in English. When my mother takes me to Cambodian store she buys Cambodian food like Mango, Noodle soup, Bamboo shoots. My favorite fruit is Rambutan. My favorite soda is coconut soda. It tastes good and we live happy together.
