Dear Sister,

I don't know why

you didn't come to America but I miss you. Americans have a lot of holidays. Some people are getting ready for Christmas. They decorate fake or real green trees. It's fun..

I'll draw a picture to show you a Christmas tree. We don't have Christmas in Cambodia.

Everybody doesn't celebrate Christmas. Some people celebrate Hanukkah. They light nine candles. I'll show you.

I love you. Your brother,

Sok Chea Peov
