

At first I didn't like the food cheese salad and pizza and milk so I threw it away. The foods I hated are some my favorite foods now like pizza, cheese and milk.

American kids showed me how to play American sports and we became friends. Today I feel very happy to being a free country in America.

The color of people doesn't scare me anymore. I think how silly it was to be a afraid. Everyone in the same inside with the same feelings.
