Dear Mark, Kim, Reed and Shannon,

I have received your letter and it was great. I really liked your letter. Your pictures were good too. Your favorite was soccer because you drew it to me. You are all good drawers. I know that you want to know about my family so I will tell you about it in Kim Yates letter.

Hi, Kim Yates. I am so glad that we are penpals. I also have a large family. I also have a large pet too. I have two hamsters who are lazy bones and fat. I had one duck but they died. I said to my mom that I want another duck and my mom said maybe.

How are you doing? Reek Perkins. I am so glad that we are penpals. Acton is far away from Lowell and I am in the J.G. Pyne school now.

Hi How are you doing, Shannon!
