Why My Family came to Lowell  
Before my family came to Lowell we lived in Texas. The climate was nice and hot but few jobs. My big brother heard about Lowell from his friends and about the jobs here - so we moved to Lowell. So my brother could work and earn money.

Why My Family Came to Lowell  
There are a lot of bad people in Cambodia so we had to leave. My family wanted to be happy. Our sponsor lives in Lowell and told us Lowell was a place of freedom. We came to Lowell to be free.
