Dear Nathaniel, Erika and Adam,

I am fine. How are you doing?
No I don't ski, but I would like to try it
some day. My St. Patrick's Day was fine. I
went to the mall with my brothers and sister
to buy something to play with in the summer.
No, I don't play any sports.

How was your spring vacation? Where
did you go to have fun?

I celebrated my vacation by going to the
temple for Cambodia New Year - April 13-15. My
mother brought a lot of food like rambutan
fruit, jack fruit, coconut in meat, candles, ince-
nse sticks and rice to the temple. My mother
donated some money to the monks and she sat
down about one or two hours to listen to the mon-
ks pray.

We played all kinds of games at City Hall
and the temple like Haki sak, tug-of-war, tag,
hide and seek, throwing scarf and so on. We played
the games for three days and the celebration
was three days. It was a great celebration.
