Dear Pen Pal,
I'm a Cambodian boy and I like to play games do you? I came from Cambodia when I was six years old and now I am thirteen years old. I miss Cambodia so much. I want to go back to Cambodia. I am in the J.G. Pyne School in Lowell Mass. In Cambodia we don't have snow, we just have summer and sometimes a lot of rain. We have different fruit trees that grow in Cambodia like rambutan, sapota, coconut, and banana trees and more. That's because the climate is hot. I remember my sister told me that in Cambodia she and another sister sold cookies. She was 11 years old
