Dear, Jill, John, Rhianon and Leigh,

Hi! I like your class picture
that you sent to us and
it is nice being your penpal.
I received your letters from
Acton. I like living in Lowell
alot and I like your pictures that
you drew.

When I was in the fourth grade
I remember that I had a pet bird.
It was a parakeet and his name
was Joe. Then he died in
the month of December and
the year was 1987.

I like to play sports.

My favorite sports are
basketball and football.
