

one this year.

Chris, your picture is great. Which team is winning?

Jennifer, your picture is fine too.

Now I'm going to talk about my family living in Lowell.

My family is fine in Lowell. We like to watch Chinese movies. We rent the tape only for two days. One costs only one dollar. We only watch at night about five o'clock p.m because it is dark and we can see it better.

When it is Saturday and Sunday my brother and I go to the park to play basketball and sometimes we all go to the mall or visit my cousin in Rhode Island. Sometimes we go to the aquarium in Boston. I like weekends.
