Dear Pen Pal,

I am a fourteen year old Cambodian boy. I am now in the J. G. Pyne School in Lowell, Massachusetts. Our School is small and it is located near Shedd Park. It is surrounded by a lot of trees.

I am now in the Chapter I (English As a Second Language) class room. In Chapter I Mrs. Tsapatsaris is our teacher. We have extra English in Chapter I and study different cultures and different groups of people who came to live in Lowell. Lowell, Mass. has many, many different ethnic groups and races of people.

We are learning how to write stories and letters. Mrs. Tsapatsaris is a very special lady.

In Chapter I we have done many projects of all kinds.
