Dear, Larry, Sarah, Michael, and Kristen,

I'm fine! I have received your letter. I enjoyed it very much, and I like your class picture. I never had an American Pen Pal before, only you four. I like living in Lowell, because Lowell is a nice place.

A very special holiday for Cambodians is Cambodian New Year, celebrated on April 13, 14, and 15. My favorite American holiday is Christmas, because of all the decorations and fun. I don't celebrate Christmas.

I had read the BFG, when I was in the fifth grade.

Yes I will send my picture to you.

Yes, I like to watch T.V. My favorite show is "Full house", "Perfect Stranger", and "The Simpsons". What characters do you like in the Simpsons? Mine are Bart, Lisa, and her younger sister. Do you like living in Acton?
