Dear Joey, Amber, David

Hi!! I have received your letter. You asked me do I celebrate any holidays in December? No, I don't celebrate any holiday in December. You ask me do I like snow? I don't like snow because it is too cold. I want to ask something. Do you know how to make paper snowflakes?

When there is snow outside I sit down and make paper snowflakes. You asked me do I like sports? I don't like sports because I am a girl. I want to ask you something. Do you like living in Acton?

I want to tell you something else.

I never had a penpal like ^{the} three of you.

This is my first ^{time} I have penpals like you.

I am so excited and I have to say "Thank you" to Mrs. Tsapatsaris because she said to the class that we are going to have penpals in Acton. Mrs. Tsapatsaris is a nice teacher. I want to ask you another question. Do you have any cousins in Acton?
