

Hi David,
How are you doing I am doing fine. I have received your letter and it is nice.

During Summer vacation I am going to New York and I will visit my friend. What are you going to do during Summer vacation?

I heard that you are going to come to our school for a field trip I can not wait until that day.

You asked me if I like to draw I like to draw but I draw ugly!

Sincerely
Rath Chhoeun
