Dear Uncle,  
My father got your letter  
about you wanting \$50.00 to marry  
your son; my cousin.

Grandmother, father, mother and  
aunt Hong are sending you the money.

We would all like to be  
at the wedding but we can't  
because Cambodia is too far away  
from Lowell, Massachusetts. Have a good time.

your nephew,  
Rath, cheap.
