

January 2, 1990

Dear Cousin,

It is a long time

Since I saw you. Lowell is a big city

So different from Cambodia.

Before we came to

Lowell we lived in New York,

I saw the Statue of

Liberty. That means freedom  
in America.

I want to see you because so  
much to tell you.

Come to America.

and live with us in Lowell.

Your Cousin,  
Rith Chhoeun
