Dear John, Jill, Rhinnon, and Leigh,

Hi! I'm going to answer John's question. Your question was who is my favorite player? My favorite players are Magic Johnson and Dee Brown.

I'm sorry about your hamsters Jill. And now I'm going to answer Rhinnon's question. I haven't seen any movies lately.

On Friday April 12, 1991 we celebrated the Cambodian New Year in the school. The Cambodian students brought Cambodian food. And the professional Cambodian dancers danced on the stage. Chamrong Borin and I danced during Cambodian New Year too.

On April 23, 1991 we had our Education Fair. The students had to make their projects. Hol, Phet and I made an Electric Boat. Our class project was the Chinese Knot and the Chinese writing and the Chinese paper folding.
