

get 95 or 80 on my tests. Sometimes it is hard for me to solve the problems. On Cambodian New Year My family went to the temple. It was fun. We played a lot of games and we wore nice clothes to the temple. Sometimes we go there once a day to go and see the monks. We just sit there and repeat what ever the monk say. Just like you pray in church. We pray much longer. Last New Year I got a new game because it was Cambodian New Year. Hope you write back soon.

Sincerely
Benjamin
