Dear Erika, Adam and Nathaniel,

I have received your letter. The letter was great and the picture you drew was nice too. The class picture was nice.

I don't have any pets like yours. If I had a pet, I would want a Grey Hound that would run faster than a K-9.

I have lived in Lowell about two years. Lowell is a very nice city and it has lots of people from different states and countries.

No, I don't like sports. If I did I would go play everyday at the park. I only watch them play on the television and sometime I watch soccer too.

When I was in Cambodia I celebrated Cambodia New Year. The Cambodia New Year is on April 13, 14 and 15.

I went to the temple to celebrate the New Year and pray. On New Year people went to the temple to celebrate. People go there to pray too.
