

"The above mentioned agreement is not meant so that Br. Moeller will also be drawn into the consequences. However, Br. Aust said that he is willing to give to him 20sh per week, which would mean that he adds 2sh. He asked also that this should be announced to Br. Moeller together with the admonition of being more industrious because he often ran away too early during this winter from his work and came too late in the morning. "
