Dear Mr. Jones,

In spite of all the accusations against the President, I have wrote him of my continued support. Writing that I am a strong advocate of this nation remaining under "the Law".

I voted Republican because of the conservative image associated with that party and with your person. I remain your loyal supporter and our president's.

A Christian citizen

P.S. Though President Nixon may have exaggerated in his criticisms of the Press, I feel the Press has emphasised his shortcomings more than his accomplishments.

Dear Mr. Foster:

Your letter arrived while Congressman Jones is out of the country. As you may know, Mr. Jones was appointed to a special subcommittee of the House Armed Services Committee to gather facts about the Middle East with which to report back to the House of Representatives. The Congressman is presently in Egypt and Israel.

I am taking the liberty of acknowledging receipt of your letter, and I will bring your correspondence to Congressman Jones' personal attention immediately upon his return to the United States in late November.

Sincerely yours,

Stephen Kaplan
Legislative Assistant
