Representative John N. Happy Camp  
The Capitol  
Washington, D. C. 20515

Dear Mr. Camp:

As a taxpayer and registered voter in the State of Oklahoma, I want to express my dissatisfaction with the accomplishments of Congress during 1973 -- or perhaps I should say the lack of accomplishments.

I would be delighted if you could use your influence to get the House off this Watergate and investigation kick, and begin doing the job you all were sent to Washington to do.

Yours very truly,

Elizabeth A. Nelson

WATERGATE

November 7, 1973

Ms. Elizabeth A. Nelson  
3517 South Irvington Place

Dear Ms. Nelson:

Thank you for your letter of October 31 concerning the accomplishments of the Congress. I would have to disagree with you as I feel the Congress has done a great deal this year. We do have very serious problems, and I think we are trying to use extremely prudent judgment. I would say, however, that I wish we could accomplish these things a little faster.

As to the Watergate and other investigations, I feel that our judicial system, which has been in existence for 200 years, is quite capable of taking care of this situation. Again, thank you for your correspondence.

Sincerely,

Happy Camp  
Member of Congress
