Mr. John R. Baker, Sr.

Dear Mr. Baker:

Your letter arrived while Congressman Jones is out of the country. As you may know, Mr. Jones was appointed to a special subcommittee of the House Armed Services Committee to gather facts about the Middle East with which to report back to the House of Representatives. The Congressman is presently in Egypt and Israel.

I am taking the liberty of acknowledging receipt of your letter, and I will bring your correspondence to Congressman Jones' personal attention immediately upon his return to the United States in late November.

Sincerely yours,

Stephen Kaplan
Legislative Assistant

Strenuously object to allocation of one million to study impeachment stop immediately let courts act first, congress prejudice. Support Nixon to defend tapes and records. Demand investigation of leaks of all secret documents to news media and prosecution of same in Watergate. What action will you take? Leaks of classified and secret government information is for more important than an admitted breakin of an office for political purposes. Divert investigation to these traitors of USA for political purposes who divulge and support secret and classified documents
