The Oklahoma Delegation

Gentlemen:

I don't believe the Erwin Committee, or the Justice Department have any impeachable evidence against our President; but I do believe there is a strong movement among some of our Congressmen and an Unscrupulous News Media to drum him out of office and thereby destroy our system.

Please use your influence to bring this thing to a close so our President can carry on this nation's business at home and abroad without further harassment.

Sincerely,

Charles E. Young

Dear Mr. Young:

Many thanks for your letter of November 19th which you sent to the Oklahoma Delegation.

Let me say that the points you have made are well put and well taken. It is my deep belief that it is time for all Americans, and particularly the Congress, to get on with the many vital issues facing our great country today. Be assured that many of us in Washington are doing everything we can to get the country back on an even keel.

Again, thank you for your communication. Your further comments will be most welcome at any time.

With kind regards, I am

Sincerely,

Happy Camp
Member of Congress
