Dear Mr. Jones:

Why don't you get up off of your "Watergate
Hears" and do something about our country's morals?
These "R" and "X" rated movies that the television net-
works are, in their obscure way, trying to force on
their viewers (at prime time) are not only demoral-
izing but very repulsive.

You were elected to represent ^(the people) us to make this
country a better place to live and to rear our
children in, not cause it to go to the dogs (or should
I say Communist?). That is exactly what you are
doing by letting our television network's morals
become so low that they show such trashy
filth as was shown on C. B. S., Thursday,
November 8, 8:00 P. M., C.S.T.

Dear Mrs. Taylor:

Your communication arrived while Congressman Jones is out of the country. As you may know, Mr. Jones was appointed to a special subcommittee of the House Armed Services Committee to gather facts about the Middle East with which to report back to the House of Representatives. The Congressman is presently in Egypt and Israel.

I am taking the liberty of acknowledging receipt of your communication, and I will bring your correspondence to Congressman Jones' personal attention immediately upon his return to the United States in late November.

Sincerely yours,

Stephen Kaplan
