Dear Mr. Jones,

I can no longer tolerate Richard Nixon's actions as President. Watergate and the White House's stalling the revealing of the truth are a disgrace to this country.

His meeting with newsmen last night (Nov. 17) was a poor attempt to put the blame for his problems on everyone but himself using rhetoric and half truths. We need an honest man, not a slick politician who rationalizes all forms of illegal actions, as president.

Please encourage Nixon's resignation or vote FOR his impeachment.

Yours truly,

Graham M. Tolson

Dear Mr. Johnson:

Your communication arrived while Congressman Jones is out of the country. As you may know, Mr. Jones was appointed to a special subcommittee of the House Armed Services Committee to gather facts about the Middle East with which to report back to the House of Representatives. The Congressman is presently in Egypt and Israel.

I am taking the liberty of acknowledging receipt of your communication, and I will bring your correspondence to Congressman Jones' personal attention immediately upon his return to the United States in late November.

Sincerely yours,

Stephen Kaplan
Legislative Assistant
