RECEIVED

NOV 18 1973

JAMES R. JONES, M.C.
WASHINGTON, D.C.

Dear Sir:

Just thought I would write a note to express some of my views.

First of all, I think President Nixon has, and is doing a good job, and do not think he should be impeached.

I think watergate should be brought to an end, and work on things more urgent.

I think we should make our country self-sufficient where we ~~don't~~ do not have to rely on some foreign country. Get the Alaskan pipe line moving.

Rather than add an extra tax on Gasoline I think it should be rationed.

I back the President 100% and think each and every person should do likewise.

Yours truly

Dear Mr. Herron:

Your letter arrived while Congressman Jones is out of the country. As you may know, Mr. Jones was appointed to a special subcommittee of the House Armed Services Committee to gather facts about the Middle East with which to report back to the House of Representatives. The Congressman is presently in Egypt and Israel.

I am taking the liberty of acknowledging receipt of your letter, and I will bring your correspondence to Congressman Jones' personal attention immediately upon his return to the United States in late November.

Sincerely yours,
