James R. Jones, Representative
Member of Congress
House Office Building
Washington, D. C. 20515

Dear Mr. Jones:

This is my first letter to you and I am sorry I haven't written to my leaders in Washington sooner. I want to go on record as being behind President Nixon all the way.

I am strongly opposed to any thoughts of "impeachment" of our President and I know this is also the feelings of thousands of people who are failing to write and let it be known. I urge you to do what you can to SHUT GEORGE MEANY UP. He is not a representative of John Doe, citizen.

Thank you.

Dear Ms. Monger:

Your communication arrived while Congressman Jones is out of the country. As you may know, Mr. Jones was appointed to a special subcommittee of the House Armed Services Committee to gather facts about the Middle East with which to report back to the House of Representatives. The Congressman is presently in Egypt and Israel.

I am taking the liberty of acknowledging receipt of your communication, and I will bring your correspondence to Congressman Jones' personal attention immediately upon his return to the United States in late November.

Sincerely yours,

Stephen Kaplan
Legislative Assistant
