Rep. James Jones
Cannon House Office Bldg.
Washington, D.C. 20515.

Dear Mr. Jones,

As a concerned American Citizen, I feel obligated to write to all members of the House of Representatives from Oklahoma, and inquire just what you are trying to do to our "America"?

It seems perfectly clear, to us citizens here at home that you do not have the good of America at heart. If you did, you would get along with the business of Confirming Minority Leader, Gerald Ford, as Vice president of the United States. This would protect our country.

Really, we American Citizens, are about to conclude that our Congress, who is supposed to be representative of the people, are only trying to undo what the majority of the people did at the poles. They should be thinking of the good of our nation instead of politics.

We fully believe that if you would give this situation serious thought and consider the consequences to our Country, you would push hard to complete the business at hand.

Sincerely,
(Mrs) Ralph Beauchamp

Dear Mrs. Beauchamp:

Your letter arrived while Congressman Jones is out of the country. As you may know, Mr. Jones was appointed to a special subcommittee of the House Armed Services Committee to gather facts about the Middle East with which to report back to the House of Representatives. The Congressman is presently in Egypt and Israel.

I am taking the liberty of acknowledging receipt of your letter, and I will bring your correspondence to Congressman Jones' personal attention immediately upon his return to the United States in late November.

Sincerely yours,

Stephen Kaplan
Legislative Assistant
