Washington, D.C.

Dear Mr. Camp:

The networks have become a national cancer. During the last two administrations extremely important national problems have been set aside while attention has been focused on the destructive process brought to us through the media. The total disrespect of the Presidency by CBS in particular is being foisted off on the public as if it were the consensus of American opinion. Enough is enough!

Yours very truly,
Russell D. Smith

Dear Mr. Smith:

Thank you very much for your letter of October 28. I appreciate the expressions set forth therein. We are always glad to hear from our constituents. This is the only way we have of knowing how they feel.

Again, we appreciate your comments very much.

Sincerely,

Happy Camp
Member of Congress
