Cong. James Jones
Wash. D.C.

Dear Mr. Jones:

Support and vote for the President
and his program every chance
you get. He has done more for the
Country than any President in history.

Congress has voted 3 million for
watergate and 1 million for the
Judiciary Committee to waste
on TV. Why waste money like this
just to provide a WPA job for
Harvard Lawyers? It is nonsense.
Yes, and now they are investigating
the dairy farmers for trying to make
a decent living. Are you against
the dairy farmers in OKla.?

Stop the foolish investigations
and see that Congress does something
for the Country instead of the TV media.

Yours truly
Charles S. Bryan
