

Nov. 15, 1973

Dear Sir,

I do not believe resignation or impeachment of our President is the answer to our Country's problems.

I respect and believe in Richard Nixon. Also in fair play and the important things he has done and can do with our support and confidence.

Let's give him a chance.

Dear Mrs. Davis:

Your letter arrived while Congressman Jones is out of the country. As you may know, Mr. Jones was appointed to a special subcommittee of the House Armed Services Committee to gather facts about the Middle East with which to report back to the House of Representatives. The Congressman is presently in Egypt and Israel.

I am taking the liberty of acknowledging receipt of your letter, and I will bring your correspondence to Congressman Jones' personal attention immediately upon his return to the United States in late November.

Sincerely yours,

Stephen Kaplan  
Legislative Assistant
