Dear Mr. Dirkschneider:

I have received your communication urging favorable action on a constitutional amendment guaranteeing the right-to-life to all unborn children and I want to thank you for sharing your views with me on this important issue.

I have written Congressman Don Edwards, Chairman of the House Subcommittee on Civil Rights and Constitutional Rights, to urge that public hearings on the various proposed constitutional amendments be held at the earliest possible date. I believe these hearings will serve to focus public attention on this very important issue, and I am most hopeful Chairman Edwards will be able to schedule action on these measures in the near future.

I am grateful for your taking the time to let me know your thinking on this subject.

With best wishes, I am

Sincerely yours,

JAMES R. JONES
