JAMES R. JONES, M.C.
The Honorable James R. Jones
c/o U.S. House of Representatives
Washington, D.C. 20515

Dear Sir:

I want to express my appreciation of your forbearance in the matter of the ordeal of our country and President Nixon over the Watergate mess. Some members of The Congress have become hysterical loud-mouths and decided to abridge our Constitutional guarantees and 'Hang him. Never mind the trial'. You have on the other hand publicly maintained a position of waiting until all facts are available before being called upon for possible Constitutional action. At this time I have complete faith in our President.

On the other hand I firmly believe that the TV and news media have with their hateful and often venomous outcries plunged our country into a feeling of doubt of all our duly elected representatives. As one of your staunch supporters I am sure you will never become a target of news media hate. Nonetheless if it can happen to our President, it can happen to you and each of us. I know that you will continue to maintain the levelheadedness you have exhibited as our Representative in the Congress. Thank you.

Very truly yours,

Harry J. Schneider

Dear Mr. Schneider:

Your letter arrived while Congressman Jones is out of the country. As you may know, Mr. Jones was appointed to a special subcommittee of the House Armed Services Committee to gather facts about the Middle East with which to report back to the House of Representatives. The Congressman is presently in Egypt and Israel.

I am taking the liberty of acknowledging receipt of your letter, and I will bring your correspondence to Congressman Jones' personal attention immediately upon his return to the United States in late November.

Sincerely yours,

Stephen Kaplan
Legislative Assistant

Harry Schneider: John, Please draft a really nice letter thanking him very much for his kind words, etc.
