John Happy Camp
House of Representative
Washington D.C.

Dear Mr. Camp. I am writing in regards to my feelings towards this watergate and the Anti-Nixon resignation.

I personally think let he who is without sin cast the first stone. Let's end all this argument and get to the business at hand.

Our president has never been proven guilty of any great wrong he is being accused of.

This terrible mess we are in did not start with this administration. I think we need to go back many years to accuse anyone of when we headed in the direction of what we are in today.

I'm a Democrat but am not for all that goes on in the Democrat party.

Our President was elected by the people and he is entitled to respect, which he is not getting.

Of course all the Communist are happy about all this Anti-Nixon clamoring for resignation.

I do not think our president is a traitor to our Country.

Sincerely yours

Mrs John H. Thornton

WATERGATE

November 26, 1973

Mrs. John Thornton
302 North Margan
Guymon, Oklahoma 73942

Dear Mrs. Thornton:

Thank you very much for your recent letter. Your expressions are the same as mine, and I can assure you that I have supported the President of the United States in the past and will do all that I can to support him in the future.

I agree with you that we need to get this thing behind us and let the Congress get on with the business at hand. After all, that is what we were elected for.

Again, many thanks for taking the time to express yourself to me, and I would welcome your further comments at any time.

Sincerely,

Happy Camp
Member of Congress
