November 24, 1973

James R. Jones
House of Representatives
Washington, D. C. 20515

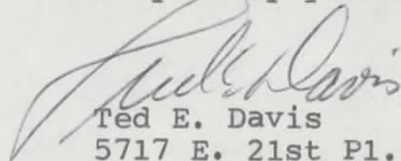

Dear Congressman Jones:

If your letter of November 9th reflects your understanding of my recent letter to you, please read my letter again.

I stated plainly that I supported President Nixon, and wanted Congress to get on with the normal business of the country- continue the investigation on a low key, but stop letting Watergate dominate!

Your letter places the emphasis on the very thing that I believe needs to be subordinated to the normal operation of the country.

Very truly yours,

Ted E. Davis
