Rep James Jones

327 Cannon House Office Bldg  
Washington D.C.

Dear Mr Jones:

I am definitely against the im-  
peachment of President Nixon.

I think it would further weaken  
our country and we are already  
weakened to the extent we are now  
a second rate Nation. If this internal  
confusion isn't stopped Russia will  
control every thing in our country.  
There is too much corruption in  
both political parties. If the Congress  
men do not begin putting our Nation  
ahead of a Political Party we will  
lose our freedom as well as  
our oil.

I hope you can and will do all  
you can to eliminate this corruption  
and take our country from the  
control of Russia who recognizes nothing  
but force. Yours truly,

Maxell Russell

I know many other responsible citizens  
who feel the same way.

Dear Ms. Burrell:

Your letter arrived while Congressman Jones is out of the country. As you may know, Mr. Jones was appointed to a special subcommittee of the House Armed Services Committee to gather facts about the Middle East with which to report back to the House of Representatives. The Congressman is presently in Egypt and Israel.

I am taking the liberty of acknowledging receipt of your letter, and I will bring your correspondence to Congressman Jones' personal attention immediately upon his return to the United States in late November.

Sincerely yours,

Stephen Kaplan  
Legislative Assistant
