Dear Sir:

My wife and I listened with great interest to President Nixon's interview with the editors Saturday night. We were favorably impressed. For quite some time we have been sickened by the disproportionate time given the Watergate matter by our press and other media. We agree with Senator Aiken--either impeach the President or get off his back.

Sincerely,

Dear Mr. Brainard:

Many thanks for your communication expressing your favorable impression to President Nixon's recent meeting with the editors.

I certainly share your views on that interview, as well as your feelings with regard to some of the negative reporting on the serious events facing our nation.

Let me say further that I have supported the President in the past, and I intend to support him now. Also, at the present time, I have not seen any facts that could bring about impeachment.

Again, thank you for writing. Your further comments will be most welcome at any time.

With kind regards, I am

Sincerely,

Happy Camp
Member of Congress
