Mr. James Jones:

Dear Mr. Jones:

We, my husband and I, are very proud of you - you are conducting our business with dignity and integrity, and we thank you.

There's a lot of talk from Mr. Nixon about "integrity" and "honesty" in government and very little has been done to show that he even knows what the words mean.

Can it be that he is going to get away with his latest ploy? That he wants to be open and frank and help get the Watergate affair out in the open? After all the damage his refusal to help has done! And is it just coincidence that the important tapes are missing? We believe not.

It's just one more about-face
to try to extricate himself from
the consequences of his actions.

Hurry all you can to get
Mr. Ford confirmed and we'll
all hope fervently that enough
pressure is brought to bear on
Nixon to make him resign.

Respectfully
