NOV 23 1973

Dear Congressman Jones
my family and I urge that you do
everything within your power to stop
this horrible torture of our President.

JAMES R. JONES
WASHINGTON

The news reporters seem to be ever
so delighted each time they report what
they call another "crime" by the President.
It is hard to believe that people who
do this can honestly call themselves
good citizens. The watergate break-in
itself did nothing to hurt this Country
but the real "crime" is what the
hysterical radicals have made of it.

We believe President Nixon is a
good man and is doing a marvelous
job under the most trying conditions
ever put upon a man. A man
who can bear up under this kind
of stress is strong indeed and we
all need him.

Please support our President!

Sincerely,
Dina Dunn
