
LINCOLN DAY CELEBRATION.

"Abraham Lincoln, the Model Citizen," was the subject of a very interesting and instructive lecture at Slater Training school last night by Rev. C. M. Hall, pastor of the First Methodist church. He cited many incidents to prove the great president was himself a model citizen, and it was from this fact that he was able and did become the model president that he was. The lecture was one calculated to give courage and hope to those for whom it was prepared. Notwithstanding the piercing cold a good audience greeted the speaker.

At 2 o'clock this afternoon the Slater school observed Lincoln's birthday with a program sent out by the American Missionary society. The exercises included many facts regarding Lincoln's efforts in behalf of the colored race.
