NAACP Resolution

Greene County's chapter of the NAACP has passed a resolution in honor of the late Robert Lee Norris.

The resolution states:

"Whereas, it has been the Will of God in His Omnipotence to remove from our presence our dear brother, friend, and member, Robert Lee Norris, and,

"Whereas, the NAACP organization of Greene County has lost a devoted and faithful member of long standing, who served willingly and faithfully as long as his health permitted, we shall miss his cheerful, encouraging words and his friendly smiles; these virtues will live on in our hearts.

"Resolved, that while we must bow willingly and submissively to our Heavenly Father's Will who does all things for the best, we mourn the loss of our member, Robert Lee Norris, who now sleeps peacefully, we recommend to the members of the family — One, Jesus Christ, who can sustain you now in the time of sorrow and need. Let Him lead you and guide you always.

May God's richest blessings be yours is our prayer."

Respectfully submitted,
Greene County Branch, NAACP
