ANNUAL SUMMARY OF PROGRESS TOWARD  
ACHIEVING OBJECTS

We have correlated our geography with other courses such as health. Not only were we finding the local or directions of place or group of people. We were also interested in the way eat & grow - also the food they and used.

The primary level were studying how to eat & grow. Found different countries Upper grades study them & now

I have endeavored to put into the hands of the pupils materials & stories about other countries comparative & sure this will stimulate the children's interest in wanting to know more & to encourage them to read more, particularly <sup>library</sup> ~~books~~

## SCHOOL OBJECTIVES

Our school objectives were to develop good citizenship, to understand and know the meaning of good sound education.
