

TENN-E-VA LIBRARY IS ATTRACTING VISITORS

On Monday afternoon The Tenn-E-Va public library was filled with an enthusiastic crowd of readers who welcomed this opportunity for entertainment and instruction, made possible by many citizens of the Twin Cities under the leadership of Mrs. Riley Stone.

Prior to this occasion many books had been checked out during the closing days of the Slater high school, by students from the various schools of the city.

A feature of the new library for the colored residents of Bristol is the large number of magazines of all types which have been contributed by members of clubs and church groups throughout the city.

Under the direction of Mrs. Elizabeth B. Wall of Sullins College, the organization of a staff is being perfected. A feature of the work will be the mending of all books, their accessioning and their shelving. Other developments are planned for the near future. Mrs. Sybil Wilson will be in charge of the library, which will be open to the public on the following days: Monday 3 to 5, Thursday 3 to 5, Saturday 6:30 to 9:00.

At these hours the rooms will be made attractive with spring flowers from many gardens.
