
1,466 CHILDREN OF SCHOOL AGE HERE

Kingsport has a school population of 1,466 children, according to figures just compiled by Superintendent of Schools Eugene M. Crouch, who last week completed a school census of the corporate city.

The figures, which are for persons between the ages of six and 21, show that there are 1,382 white children of school age in Kingsport and 84 colored.

Girls outnumber boys among the white children by 14, there being 684 males and 698 females. There are 42 of each among the colored children.

The total number of white children between the ages of six and eight years is 216; between the ages of eight and 14 years, 632; between 14 and 16 years, 175, and between 16 and 21 years, 305.
