

## Housing And Employment Key Topics

Members of the Greeneville chapter of the NAACP met Monday night at the Greeneville Housing Authority building to hear Ralph Watson, right, speak on housing and employment discrimination problems. William Crum, president of the Greeneville chapter, chats with him. Watson works for the Upper East Tennessee Human Development Agency (UETHDA). From Kingsport he oversees an eight-county housing counseling program, teaching low-income people how to budget strictly enough to own their own homes. Watson is also an equal opportunity officer for UETHDA, helping to investigate claims of labor discrimination. (Sun photo by Tom Scheffey)
