**TEACHER'S INSTRUCTIONAL PLANS AND  
OBJECTIVES FOR SCHOOL YEAR**

My objectives for this year's work were to get the beginners to learn the regulations and rules of the school and at the same time have them to recognize words and their meanings. However, much time was spent in having them to become familiar with numbers.

The more advance group I tried to teach them how to study, with emphasis placed upon reading, and the important of reading.

**A SUMMARY OF ACHIEVEMENTS DURING SCHOOL YEAR**

First, keeping children in school. Second getting children interested in coming to school without missing a day. Third, emphasis placed on school activities.
