

Dates for Glee Club

The glee club of the Bristol Negro Business League is in popular demand. Several dates will be filled by the club in the near future. The first engagement will be at the Indian Springs, Tenn., high school on Wednesday night. Another engagement will be filled at the Wallace Switch, Va., high school on November 3. The glee club will be accompanied by Robert Clay, president of the league, who will deliver short addresses at each place. He will inform the people of what the "Boone Trail Edition" of the Herald Courier is, and will show the advantages it will be in advertising this section.
