

NEGROES OF VIRGINIA HAVE MUCH WEALTH

In 1914 the negroes of Virginia owned 1,674,823 acres of land valued at \$10,365,377. The assessed value of this property, real and personal, was \$37,851,973.

It is estimated that the total wealth held by negroes of the United States is one billion dollars.

Sarah Rector is the richest negro girl in the world. She lives at Taft, Okla., and is the largest tax payer in the State. Her income is said to be \$600 a day.

At his death Edward E. DesVerney, a negro of Savannah, Ga., left an estate valued at more than \$50,000. He was formerly a Pullman porter.

John Mitchell, Jr., president of the Mechanics Savings Bank of Richmond, is the only negro member of the American Bankers' Association.
